

# Turning Over Tables (Money Changers)

© 2001 Adam Smith

I'm turning over tables  
Of the money changers  
I'm turning over tables  
Of the money changers  
This is my Father's house  
This is my Father's house  
(And now I'm driving them out)

## *Verse 1*

I gave you manna  
I gave you rain  
I gave you livestock  
I gave you grain  
I gave you honey  
I gave you oil  
I've given my son  
So you don't have to toil.

## *Verse 2*

I gave you freedom  
I gave you wine  
You don't have to worry  
'Cause everything's mine  
Come to the waters  
Come buy and eat  
It won't cost a penny  
Just have faith in me

## *bridge*

I'm making a whip and I'm driving them out  
Now be my vessel and release the shout  
Just as I did it on earth on my day  
I now declare war, turn the tables today!

## *Jewish Dance*

Our God is turning / over the tables  
He is giving His bride all things / and adorning her with gold.
